

# Tarot card template

4.75in" x 2.75in" at 300DPI Safe Area Line

## Safe Area Line

Extend your design beyond the trim lines by at least 0.125 inches (3mm) to ensure no white borders after cutting.

## Cut Area Line

Finish dimension of your design after cut.

## Bleed Line

Leave a 0.25 inch (6mm) margin from the trim line where no text or important design elements should go. ensuring they don't get cut off.
